

5 April 1951

The Honorable Homer Ferguson
United States Senate
Washington 25, D. C.

Dear Senator Ferguson:

Your letter of April 2nd, relative to Larry S. Davidow and the Russian veterans organization, has been received. You have doubtless now received General Smith's letter of April 3rd, which supplemented my letter of March 10th, concerning this organization.

As indicated in General Smith's letter, [redacted] has arranged a meeting with Mr. Davidow. A letter to this effect was dispatched to Mr. Davidow on March 30th.

Thank you again for your interest in this matter.

Sincerely,

WILLIAM H. JACKSON
Deputy Director of
Central Intelligence
